BVI IAC Concludes Cooperation Agreement with ICSID

On May 3, BVI IAC entered into an Agreement on General Arrangements with the International Centre for Settlement of Investment Disputes (ICSID). The Agreement was signed on behalf of ICSID by Meg Kinnear, Secretary-General, and on behalf of BVI IAC by Francois Lassalle, Chief Executive Officer of the BVI IAC.

The Agreement provides both institutions with the possibility for holding hearings at each other’s facilities and encourages knowledge sharing between ICSID and BVI IAC and exchange of information and publications in the field of arbitration, conciliation, and other alternative methods of dispute resolution.
